

GREEN

A dietary supplement to support detoxification functions.*

Green:

- Is a great tasting, easy-to-mix powder available in a 30 serving container
- Combines nutrient rich vegetables, fruits and herbs with enzymes and probiotic cultures.
- Supports the body's ability to cleanse, detoxify and rejuvenate.*
- Supports the body's immune system functions.*
- Supports detoxification and G.I. Tract health.*

Detoxification Support

- **Spirulina and Chlorella** are both sources of blue-green algae, which has a rich nutrient profile.*
- **Spirulina** supports healthy functioning of the liver and immune system, to aid in detoxification.*
- **Chlorella** supports cell reproduction, as well as restorative processes that promote healthy organs and tissues.* Chlorella supports proper digestion by promoting the growth of beneficial bacteria and assisting in the elimination of unwanted materials from the body.*

Phytonutrient Support

- **Red Raspberry** supports capillary strength.*
- **Cranberry** supports urinary tract health and function by keeping unwanted materials from adhering to the cell walls of the bladder.*
- **Blueberry** supports eye, urinary tract and cardiovascular health and gastrointestinal function.*
- **Bilberry** has traditionally been used to support proper functioning of the eye.* It helps to synthesize compounds that maintain artery walls, support connective tissue health and strengthen capillaries.*
- **Grape Seed Extract** plays a role in the stabilization of collagen and maintenance of elastin, thereby supporting organ, joint, blood vessel and muscle functions.*

Digestive Support

- **FOS** aids in the elimination of unwanted substances and supports G.I. Tract health.* Fructooligosaccharides (FOS) are considered a soluble fiber and prebiotic that supports the growth of beneficial bacteria.* Since FOS is not digested it increases the material in the digestive tract and promotes regularity.*

Immune System Support

- **Oat Beta-Glucans** support immune system function.* Oat Beta-1,3-Glucans extracted from oats are a highly researched polysaccharide with immune supporting properties.* They support the activity of macrophages that clear away cellular debris and other unwanted materials by digesting them.*

Supplement Facts

Serving Size 11.88 g (1 heaping scoop) 30 Vegetarian Servings

Amount Per Serving

Calories	45
