HUNGER CONTROL*

A vegetarian dietary supplement to support appetite control and healthy cortisol function.*

Hunger Control® is designed to address those factors that may contribute to weight gain, such as energy level, hormone balance, slow fat burning and stress.*

Hunger Control® helps to balance Cortisol levels.* Cortisol is the body’s main stress hormone. In excess, it can cause weight gain especially around the waist and face.

Hunger Control® Supports:
- Thermogenesis, an increased metabolic rate and energy production*
- Proper fat metabolism and development of lean body mass*
- Maintenance of Cortisol and blood sugar levels within normal range*
- Appetite control and hunger management*

Fat Burning Support*
- Green Tea, Metabromine, Guarana seed, and Black Pepper support thermogenesis and fat metabolism.* They work together to increase calorie burning and support lean muscle mass within the body.*
- Metabromine, Eleutherococcus senticosus, Guarana seed, and Black Pepper support energy production and offer metabolism supportive effects.*

Stress Management & Appetite Control*
- Eleutherococcus senticosus and L-Theanine support stress management.* This stress-free state of mind may help to balance Cortisol levels and support weight loss.*
- Hoodia, Guarana seed and Banaba Leaf Extract support appetite control and maintenance of blood sugar levels within normal range.* They act as appetite suppressants to reduce cravings and lower caloric intake.*
- Banaba Leaf, L-Theanine and Chromium support hormone balance and maintenance of Cortisol levels within normal ranges.* Balanced Cortisol supports healthy weight management.*

Nutrients
- Banaba leaf extract contains corosolic acid, which maintains blood sugar levels within normal ranges.*
- Hoodia gordonii acts on nerve cells in the brain that sense glucose levels and activates them, making the body feel full.*
- Metabromine® by Benchmark® Botanicals, provides a pleasant feeling of “Chocolate euphoria” without the calories to make dieting more satisfying.* Both Metabromine® and Benchmark® Botanicals are trademarks of Triarco Industries.
- Suntheanine® brand L-Theanine has extensive research and documentation with over 45 studies in the areas of stress management, good mood and energy levels.* Research also shows that L-Theanine helps to counteract negative effects of Caffeine like nervousness and jitters. Suntheanine® L-Theanine is patented and licensed by Taiyo International, Inc.
- Guarana seed naturally contains caffeine, which supports appetite control, thermogenesis, energy production and calorie burning.*
- Green Tea has a high yield of epigallocatechin-3-gallate (EGCG), which supports metabolism, thermogenesis, appetite control and the maintenance of glucose levels within normal ranges.*
- Chromium supports glucose levels within normal ranges and supports metabolism of lipids in the body.*
- Black Pepper Seed Extract & Eleutherococcus senticosus support energy production and helps the body to adapt to stress.*
