Hunger Control

Hunger Control is a whole new formula that's been redesigned to address those factors that may contribute to weight gain, such as energy level, hormone balance, slow fat burning and stress.* It contains a full complement of natural plant extracts plus Hoodia, L-Theanine, EGCG from Green Tea and other thermogenic factors to help manage hunger, control cravings, maintain blood sugar levels within normal range, and support proper fat metabolism.*

Caution: This product naturally contains caffeine. Do not take if you are caffeine-sensitive.

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 90

Chromium (as Cr Polynicotinate) 50 mcg

A proprietary Blend of:

Green Tea (*Camella sinensis* L) Leaf Extract,
Theobroma cacao whole fruit (Metabromine® brand),
Hoodia gordonii (aerial stem), Eleutherococcus
senticosus (Root) 375 mg

Yielding: EGCG 105 mg

Theobromine 6 mg

Caffeine 1.5 mg

Guarana Seed Extract 100 mg

Yielding: Caffeine 4 mg

L-Theanine (Suntheanine® brand) 25 mg

Banaba (*Lagerstroemia speciosa* L.) Leaf Extract 10 mg

Yielding: Corosolic Acid 0.2 mg

Black Pepper (*Piper nigrum*) Seed Extract 5 mg

Other ingredients: Vegetable Cellulose (capsule),
microcrystalline cellulose, vegetarian leucine.

Warning: Do not take this product if pregnant, nursing, have fibrocystic breast disease, high blood pressure, or if you're taking MAOI or SSRI drugs or antihypertensive medications.

Carb Blocker

A vegetarian dietary supplement to inhibit carbohydrate absorption, Carb-Blocker is a unique combination of the Phase 2[®] brand starch neutralizer, Gymnema sylvestre, and Chromemate[®] brand chromium polynicotinate. Phase 2[®] starch neutralizer is an extract from the white kidney bean (*Phaseolus vulgaris*). Research shows that this extract can block the absorption of carbohydrates (from starch) because it contains a protein component that inhibits the enzyme alpha-amylase from breaking down carbohydrates from foods.* When this enzyme is blocked, the starch that's eaten cannot be converted to fat.* The addition of Gymnema sylvestre and Chromemate[®] is to support appetite control and glucose metabolism.*

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 90

Chromium
(as Cr Polynicotinate)[†] 100 mcg

Phaseolus vulgaris (white kidney bean, Phase 2[®] brand)
Extract** 500 mg
Gymnema sylvestre (leaf) 100 mg

[†]Chromemate[®] brand niacin-bound chromium.

**Phase 2[®] is used under license.

Other ingredients: hypromellose (capsule), microcrystalline cellulose, vegetarian leucine.

Warning: If pregnant, lactating, diabetic, or hypoglycemic consult your physician before taking this product.

Weight Down

Weight Down is a dietary supplement that is recommended for weight management, satiety support, cardiometabolic support and free-radical fighting support.* This formula is available as a great tasting, sweet mint liquid delivered in a convenient pump format for easy adjustment to the serving size.

Supplement Facts

Serving Size 1 ml (5 Sprays)
Servings Per Container 30

DyglyFit® Dichrostachys glomerata Fruit Extract 200 mg
Stevia Leaf Extract 5 mg

Other ingredients: glycerin, water, ethyl alcohol, potassium sorbate, peppermint oil.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

Caution: Product may stain.

5-HTP

5-HTP is a precursor to Serotonin production.* Serotonin is a key neurotransmitter that is manufactured in the brain to help support proper mood, sleep, and appetite functions. Optimal Serotonin levels promote feelings of calm and emotional balance. In addition, Serotonin plays important roles in the body's ability to respond to pain, and in regulating the appetite by controlling the sensations of fullness and carbohydrate craving.

Supplement Facts

Serving Size 1 capsule
Servings Per Container 90

Vitamin B6 5 mg
5-HTP 50 mg

Other ingredients: microcrystalline cellulose, hypromellose (capsule), silicon dioxide.

Warning: If you are pregnant, nursing, or taking MAO inhibitors, antidepressants, or being treated for Parkinson's disease, consult your healthcare practitioner before taking this product.

Immune Support

Immune Support is aimed at providing the most potent immune supportive nutrients both on a daily basis as well as during acute immune stress.* Because these ingredients support the immune system's ability to adapt and not simply upregulate immune function, those with hyperactive immune responses may also incorporate this formula, under a physician's supervision, into their daily regimen.

Supplement Facts

Serving Size 2 Capsules
Amount Per Container 60

Colostrum 500 mg
yielding Immunoglobulins (IgG) 200 mg
Monolaurin 300 mg
Bakers yeast beta glucan 250 mg

Other ingredients: hypromellose (capsule), microcrystalline cellulose, vegetarian leucine.

Contains: Milk.

Warning If pregnant or nursing, consult your healthcare practitioner before taking this product.

Zinc

Zinc is an essential mineral found in every body cell. It is essential for a wide range of physiological functions and is an important cofactor for more than 200 enzymes, more than any other mineral.*

Supplement Facts

Serving Size 1 Lozenge
Amount Per Container 60

Calories 5
Total Carbohydrates 1 g
Zinc (as Zn Citrate & Zn Gluconate) 23 mg
Stevia Leaf Extract 4 mg

Other ingredients: xylitol, stearic acid, vegetable stearate, citric acid, honey powder, silica, natural lemon flavor.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

NON
GMO

DIM[®]

A dietary supplement to support hormonal balance and weight management in men and women.* DIM[®] is a proprietary blend of DIM[®] (Diindolylmethane) with Vitamin E and Phosphatidylcholine. DIM[®] causes a beneficial shift in the balance of estrogen, testosterone, and progesterone in both men and women.* Good estrogen metabolites support overall health by functioning as antioxidants, helping to eliminate unwanted materials, mobilize stored fat (for use as energy), and support hormonal balance.* They also help with weight management, exercise tolerance, and development of lean muscle tissue.* All of the benefits may contribute to the reduction of the effects of aging.*

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 120

DIM[®] 75 mg
DIM[®] (a proprietary enhanced bioavailability complex of starch, diindolylmethane, Vitamin E as tocophersolan, phosphatidylcholine, silica).

Other ingredients: microcrystalline cellulose, vegetable cellulose (capsule), vegetarian leucine.

Warning: If pregnant, nursing, or planning to become pregnant, do not take this product.

NON
GMO

DHEA 25 mg

DHEA is an important adrenal hormone that supports healthy aging.* DHEA levels decline with age and adrenal stress. DHEA supports immune system and thyroid function, as well as memory and energy function.*

Supplement Facts

Serving Size 1 Vegetarian Capsule
Servings Per Container 90

DHEA (micronized) 25 mg

Other ingredients: vegetable cellulose (capsule), vegetarian leucine.

Warning: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING.

Consult a physician or licensed qualified healthcare professional before using this product if you have, or have a family history of, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other similar symptoms. **KEEP OUT OF REACH OF CHILDREN. To report any adverse events call 1-800-332-1088.**

Caution: May interfere with birth control medications and devices.

**NON
GMO**

HGH

An amino acid complex specifically formulated to act as a secretagogue to stimulate the release of the body's own Human Growth Hormone (HGH) naturally.* HGH supports healthy blood sugar levels to reduce cravings and promote the reduction of body fat.* It also supports cardiovascular output and benefits workout recovery.* HGH in powder form is designed to dissolve in a cold beverage.

Supplement Facts

Serving Size 1 Scoop (10.95 g)
